

# TO THE PUBLIC.

According to promise I submit the following catalogue of names and amounts of those who have contributed to myself for the purchase of a hearse for the use of the colored people of this city.

It has become necessary that I should go to this trouble and expense in consequence of certain slanders which have been circulated, to the effect that the money's contributed had not been honestly applied. "He that robs me of my money alone robs me of trash; but he that robs me of my good name robs me of that which he does not himself possess." Those who have been industrious in the circulation of these reports have not contributed anything themselves worth speaking, and should not have busied themselves in such a great degree. This matter shows that the colored people have no confidence in one another.

It will be seen that I have collected myself \$153.80. I have paid on the hearse, and have a receipt therefor, the sum of \$295.00.

In addition to the amounts given in this catalogue I received from the other members of the committee appointed to solicit contributions the following amounts, which, together with the amount collected by me, are all the funds I have received: Mrs. W. G. Otey collected \$18.80, Mrs. W. H. Mitchell, \$7.40; Benj. Edwards, \$15.00.
